Estate Planning Update.

Today we can find out if any changes to Estate Planning has an impact on what we may already have in place, and the need to put something in place if we haven't already done so.

WRSG Christmas Meal 2021

I believe I can safely say that everyone had an enjoyable afternoon. We had a superb turn out, 77 of us enjoyed a lovely meal and were entertained by
The Two Bobs

Of course we had our annual visit from Santa and his helper.

Who knew we had our very own celebrity singer?
You kept that quiet Joe!!

CORONAVIRUS UPDATE

Not much to say as the Omicron variant continues to be controlled with less cases being reported and fewer hospital admissions.

Restrictions are lifted but we still need to take care.

At the moment scams are posing a threat to everyone.

One scam says the government have allocated a payment to battle covid - click this link --- DON'T.

Others are saying you have been fined for breaking lockdown rules – FORGET IT!

Some are saying they are the NHS and you have been in contact with the Omicron variant so need to order your free PCR testing kit here. – NO YOU DON'T!

They are all trying to get you to click on a dodgy link.

Some are cheeky enough to ring you! If you receive a phone call, just tell them you

will contact Test and Trace and sort it out!!!'

If they continue to try talking you into discussing the issue, **HANG UP.**

If you are in any doubt you can call 119.

Genuine government text messages will come from UK-Gov only and individuals will be only ever be directed to GOV.UK/coronavirus.

I hope this information helps you all avoid being tricked into clicking on a dodgy account.

Remember, if in doubt, delete or hang up.

Stay Safe Everyone
